DEDICATION

The bulwark of any Lodge is its Past Masters. In this respect Princeton Lodge No. 38 has been especially blessed. It was they who pioneered and bore the brunt of the battle; in the days gone by they led the way when the road was beset with difficulties and dangers, when the future seemed uncertain and discouraging; it was they who labored on through fair weather and foul and kept the Craft afloat and headed in the right direction. They gave unstintingly of thought and effort, and for this unselfish and devoted leadership the present-day members are deeply grateful. And so it is altogether fitting and proper that this history should be, and is, fraternally dedicated to the brethren who have served as Worshipful Masters through the years.

ACKNOWLEDGMENT

The compilation of this history has been greatly facilitated by the gracious co-operation of the Secretary of Princeton Lodge, the Grand Secretary and members of his Staff, various members of No. 38, and others, to all of whom we express our appreciation and thanks. Should there prove to be errors of omission, as well as of commission, forgiveness is fraternally hoped for on the basis that 'tis human to err.

Whether it be the grandfather clock on the stair landing, with its slow "tick tock, tick tock," admonishing the young swain to "take your time, take your time"; or Big Ben on the mantel, saying "take her, take her, take her," Time marches on at an even but relentless pace, and, before we realize it, the days become years and the years pass into history. Two Lodges, both having a very brief existence, preceded the present Lodge, as noted elsewhere. Princeton Lodge No. 38 came into being as a duly warranted Lodge on January 9, 1856, and, while mortals should look ahead and plan for the future, it is well to pause and recall the labors and events of days gone by and thereby glean inspiration and courage for the future. And so, having paused and spent considerable time in reminiscing, and much effort in searching through the archives of No. 38 and of the Grand Lodge, we are gratified and pleased to present this record of Freemasonry in Princeton from Revolutionary Days through almost two centuries from 1765 to the year of this Anniversary.

Many influential men of the Revolutionary period were Masons, deeming it a privilege and an honor to be known as such. Masonic tenets and principles, undoubtedly, motivated and guided these brethren in their zealous labors during the critical and formative period of our founding as a new nation.

In those early days Lodges were few in number and far apart, and meetings, in many instances, were occasional "called" gatherings of Masons known to reside within a reasonable radius of the "call." These gatherings, or meetings, were primarily for fraternal fellowship and communion and, no doubt, were held at the home of the Worshipful Master or some other member. However, transcending these "called" gatherings, the members of the Craft residing in or near "Prince Town" had the urge to assemble as a duly constituted Lodge and labor Masonically in accordance with the ancient rules and regulations of the Fraternity, and formal petition was made to Jeremiah Gridley, Grand Master of St. John's Grand Lodge of Massachusetts (predecessor of the Grand Lodge of Massachusetts) for a Warrant or Charter. Their desire became a reality, as recorded in the following pages.

EARLY HISTORY

The earliest record of Freemasonry in Princeton is the following petition to Jeremiah Gridley, Grand Master of St. John's Grand Lodge of Massachusetts (predecessor of the Grand Lodge of Massachusetts) from members of the Craft residing in Princeton and vicinity at that time.

Prince Town, New Jersey
September 24, 1765

Right Worshipfull.

Whereas we, the subscribers, being desirous of being formed into a regular and lawful Lodge, do now make application to you for a Warrant to Constitute the same, also to appoint the first Master which I nominate, Richard Stockton of the said place; Pray let it be sent by the bearer of this, safely enclosed, and the said bearer will satisfy you for the same.

N.B. Let it be nominated St. John's. Pray Sir, (if you can conveniently), empower us to give Warrants for the Constituting of Lodges.

RICHARD STOCKTON	AUGUSTUS DIGGENS
OLIVER ELLSWORTH	THEODRICK ROMEYN
SOVEREIGN SYBRANDT	BENJAMIN HEINS
SOLOMON KELLOGG	

To Jeremiah Gridley, Esqr.

The above application for a Lodge at Prince Town (Princeton) was favorably received and, on October 25, 1765, a Charter was granted. The absence of any Lodge records leaves us in total darkness as to where meetings, if any, were held; what work was done; or how long it existed. Unfortunately, all records pertaining to it were lost when the old Masonic Temple in Boston was destroyed by fire on April 6, 1864. If any meetings were held, in all probability they were held at Morven, the home of the Worshipful Master named in the application.

The loss of the original document by fire prevents the satisfying of our curiosity as to who wrote this petition and nominated its first Master, or who the bearer of it may have been. This Lodge, evidently, was short-lived, for neither Brother McGregor, Grand Historian, nor Brother Tatsch (author of *Freemasonry in the Thirteen Colonies*), in their researches, discovered any record showing Masonic activity in Princeton from 1765 to 1813. It was the third Lodge established in New Jersey up to that time and before the organization of our own Grand Lodge on December 18, 1786.

From the *History of Freemasonry in New Jersey* (1937), by David McGregor, Grand Historian of the Grand Lodge of New Jersey, we quote:

"Richard Stockton, the first Master, was of the fourth generation of the Stockton family in New Jersey. His great-grandfather, Richard

Stockton, came from Durham, England, and settled at Burlington in 1692. He was a Quaker. His eldest son Richard (21d) moved to Princeton in 1696 and settled on an extensive tract of land purchased from William Penn, where he built a mansion known to all succeeding Generations as MORVEN, to which Richard (4th), the subject of this sketch, succeeded after the death of his father, Judge John Stockton, one of the founders of the College at Princeton, from which Richard (4th) was graduated in 1748.

"He was appointed a member of the Provincial Council in 1768 and Judge of the Supreme Court of New Jersey in 1774. When the relations between the colonies and the mother country became estranged, he took a firm stand on the American side and was elected one of the Representatives of New Jersey to the General Congress in Philadelphia, where he took an active part in the deliberations of that historic Assembly, which resulted in the issuance of the Declaration of Independence. His name was made immortal as one of the Signers of that great charter of American liberty.

"During the occupation of Princeton by the British forces, his home was pillaged by the Hessians and he was later betrayed into their hands. His close confinement and rough treatment as a prisoner of war so undermined his health that he died at Morven on February 28, 1781, at the age of fifty. Although an active member of the Presbyterian Church, his body was laid to rest in the Quaker burying ground, with nothing to mark the spot. When he became a Freemason, or in what lodge, we are not informed, but he was evidently a Master Mason prior to the filing of this petition, and may have been a member of Temple Lodge No. 1 of Elizabeth Town (Elizabeth), this being the Lodge nearest to Princeton and the second oldest in New Jersey."

Concerning the other petitioners, we have brief records of only two. Oliver Ellsworth, the second to sign the petition for a Lodge at Prince Town, was a native of Connecticut, being born at Windsor on April 29, 1745; he entered Yale College in 1762, but two years later transferred to Princeton, from which he was graduated in 1766. He was therefore not only an undergraduate, but apparently under age when he signed the petition. He served in various capacities in his native State and in the Continental Congress, and, on March 4, 1796, was appointed by President Washington as the third Chief Justice of the Supreme Court of the United States. In 1799 President John Adams appointed him as Envoy Extraordinary to the French Republic; but ill health while on the Continent forced him to resign both offices in December, 1800, and he later returned to his native State, where he died on November 26, 1807, deeply lamented throughout the State and Nation.

Another noted personage among the signers of the Princeton petition was Theodrick (Dirck) Romeyn, who was born at Hackensack, New Jersey, on January 12, 1744, the son of Nicholas and Rachel (Vreeland) Romeyn. He was a student at the College of New Jersey when he signed, and was graduated from it shortly afterward. In 1766 he was licensed

RICHARD STOCKTON

to be a minister of the Dutch Reformed Church. From 1766 until 1775 he was pastor at Marbletown, Rochester and Wawarsing, in New York, and from 1775 until 1784 at Hackensack and Schaalenburg, in New Jersey, where he served during the Revolutionary War. In 1784 he accepted a call to the church at Schenectady, New York, where his most important work was done during the succeeding twenty years. He took an active interest in educational matters and founded an academy at Schenectady in 1785, which became the nucleus of Union College. He declined to be the first president of this institution, but he was truly its father. In 1797 Dr. Romeyn was President of General Synod. He was also Trustee of Queen's College, now Rutgers University, from 1785 until his death, and received the degree of D.D. from that College in 1789. He was appointed Lector of Theology by New Brunswick Seminary in 1792 and Professor of Theology in 1797. He was eminent for his scholarly attainments and eloquence, and was held in high esteem. He died at Schenectady, New York, on April 16, 1804, and was buried in Vale Cemetery in that city.

In connection with the mention of this Lodge of Revolutionary Days, we retract the statement appearing in the brief history we issued on February 10, 1930, asserting that Dr. John Witherspoon was a Mason. In the March, 1928, number of *The Master Mason* there was published an article on "Was Dr. Witherspoon a Mason?", by David McGregor, Grand Historian of the Grand Lodge of New Jersey. Brother McGregor was indefatigable and most painstaking in his researches into all known archives, and from his article we quote: "In the course of my researches into the early history of Masonry in New Jersey, I have not as yet been able to find any evidence, direct or implied, that would indicate that the Rev. John Witherspoon, D.D., President of Princeton College 1768-1794, and Signer of the Declaration of Independence, was a Freemason, much as I, a New Jersey Scot like himself, am desirous of including his name among the notables of New Jersey, during the Revolutionary period, who were Freemasons. He has been and still is claimed as a member of the Fraternity, but the basis upon which this claim was originally made will not stand the test of critical examination, no matter how much it is surrounded with circumstantial detail."

Following an interval of 48 years from 1765 to 1813, during which there was neither Lodge meetings nor Masonic activity of record, the Craft, for the second time, appeared on the Masonic horizon in 1813. At the Annual Communication of Grand Lodge, held on November 9, 1813, the following petition was presented by Master Masons residing in or near the town of Princeton:

*To the Most Worshipful Grand Master,
the Right Worshipful the Grand Officers
and Brethren of the Grand Lodge of New Jersey*

The petition of the subscribers humbly sheweth that your petitioners are Free and Accepted Master Masons and are at present and have been members of regular lodges; that having the prosperity of the Fraternity

at heart, they are willing to exert their best endeavors to promote and diffuse the genuine principles of Masonry. That for the convenience of their respective dwellings and for other good reasons, they are desirous of forming a new lodge in the town of Princeton, to be named Princeton Lodge; that, in consequence of this desire, they pray for a Warrant of Constitution to empower them to assemble as a legal lodge to discharge the duties of Masonry in a regular and constitutional manner, according to the original forms of the Order and the Regulations of the Grand Lodge; that they have nominated and do recommend Thomas P. Johnson to be the first Master, Perez Rowley to be the first Senior Warden and John Lindsay to be the first Junior Warden of the said Lodge; that, if the prayer of their petition be granted, they promise a strict conformity to all the constitutional Laws and Regulations of the Grand Lodge, and your petitioners, as in duty bound, will pray.

This petition for a new Lodge received a recommendation from Washington Lodge No. 12, of New Brunswick, as follows:

At a meeting of Washington Lodge No. 12, held at their Lodge Room in the City of New Brunswick, October 4, 1813, Brother Lindsay, in behalf of himself, Brothers Thomas P. Johnson, Ezekiel Smith, John I. Craig, Ralph Sansbury, Daniel Agnew and John Joline, gave information to the Lodge, of which they are members, of their wish to make application to the Grand Lodge for a warrant for a new lodge to be holden at Princeton, and praying the sanction and approbation of this lodge; whereupon it was unanimously resolved, that these brethren, from their attention, abilities and science in Masonry, merit the favors, indulgence and justice of this lodge, and that they be earnestly recommended to the Grand Lodge for a Warrant for a new lodge to be established at Princeton.

The foregoing petition and recommendation having been duly considered by the Grand Lodge on November 9, 1813, it was ordered that a Warrant do issue to Thomas P. Johnson, Master; Perez Rowley, Senior Warden; John Lindsay, Junior Warden, of said Lodge, the Lodge to be known and numbered as Princeton Lodge No. 30.

The Warrant having been ordered, a meeting of the brethren was held at the house of John Joline on November 13, 1813, when a committee was appointed to purchase the furniture of the Lodge room. It was decided: "that all brethren from other lodges joining Princeton Lodge, join it subject to equal burthens with the original members of this lodge." Brother Rowley was appointed to receive subscriptions and it was resolved that a subscription be opened for the purpose of paying for the Warrant and purchasing the necessary furniture of the Lodge room and other incidental expenses, the same to be refunded to the subscribers when the funds of the Lodge will warrant it. Brother Lindsay was appointed a committee for superintending the purchase and mounting of the jewels and aprons.

There is no evidence of any effort to organize the Lodge under the Warrant until April 14, 1814, when the brethren assembled, pursuant to notice given, with the following officers named in the Warrant, viz.: Thomas P. Johnson, W. M.; Perez Rowley, S. W.; John Lindsay, J. W., and a number of brethren. They selected the following officers: Ralph Sansbury, Treasurer; George Wood, Secretary; Samuel Cruser, S. D.; Nathaniel H. Olden, J. D., and William Ryder, Tyler.

The By-Laws and Regulations, which had been previously prepared, were adopted. Brother George Wood was appointed to inform the Grand Lodge, who were convened in another apartment, that the Lodge was met and were ready to proceed to the ceremony of consecration and installation. The M. W. Grand Lodge, consisting of Aaron D. Woodruff, Grand Master; Isaac Barnes, Deputy Grand Master pro tem.; Joseph Thompson, Senior Grand Warden pro tem.; Asa H. Billings, Junior Grand Warden pro tem.; being announced in Due Form, were received with the Grand Honors and took their respective places in the Grand Lodge accordingly, when the Lodge was duly consecrated and the officers thereof respectively installed in Ample Form according to the usages and customs of the Craft from time immemorial used and approved. The Lodge closed in harmony, to meet on the evening of the same day.

At the meeting of the Grand Lodge held November 10, 1814, the Grand Master reported: "that, with some of the Grand Officers, he attended at the installation of the officers of Princeton Lodge No. 30 and the consecration of the hall, and he has the highest satisfaction in affording his testimony of the ability, good order and harmony which was evinced on the occasion, giving the happiest presages of their becoming bright, intelligent and worthy Masons. He was received with every mark of respect and attention."

Where the "hall" was located, what sort of a building it was, is not recorded, but it was not Mercer Hall, as that building was not erected until in or about the year 1846. It could have been a room in the Hudibras Inn, a well-known hostelry of that period, which was located on the south side of Nassau Street, next to the old public market.

At the same meeting William McKissack, Deputy Grand Master, reported as follows: "I had the pleasure of visiting the new lodge at

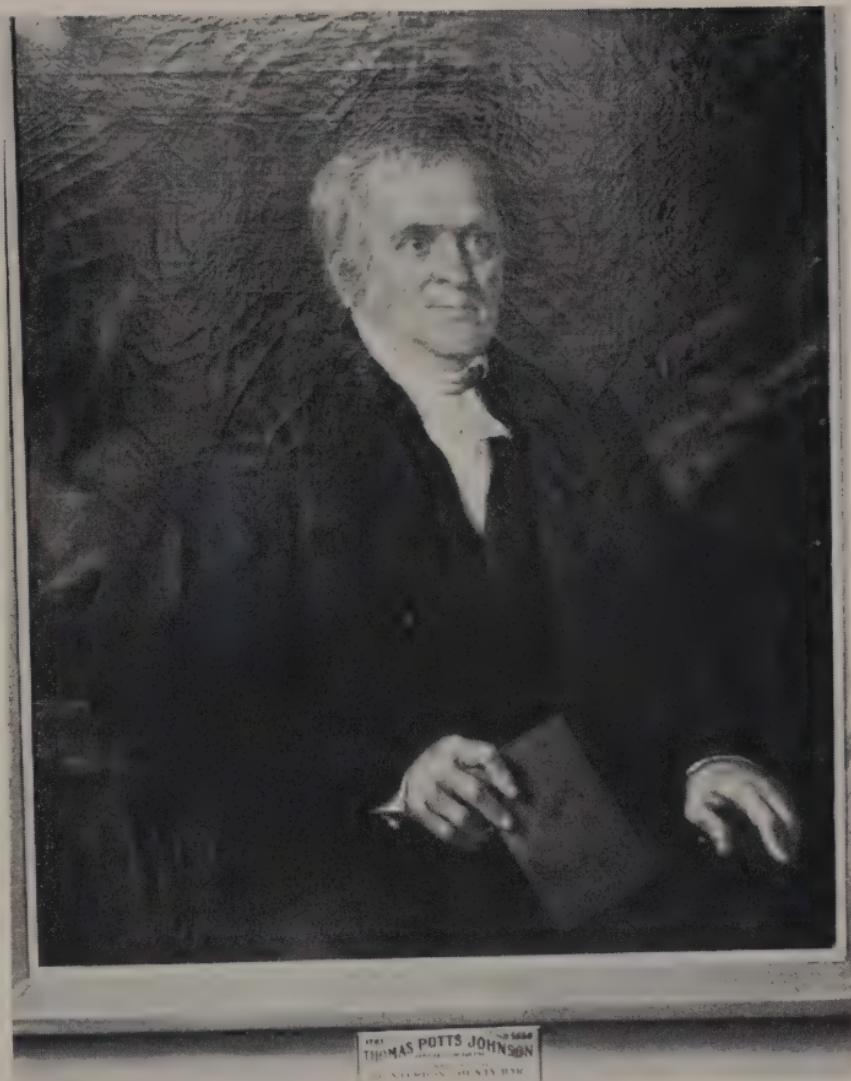

Princeton under the guidance of the Worshipful Thomas P. Johnson and was highly gratified with the manner in which the business of the Lodge was conducted. The Worshipful Master gave a lecture at my request; it was done in a true masonic style and embellished by the hand of a Master."

On November 13, 1815, the thanks of the Lodge were extended to Mr. William Ayer, Esquire, for a donation made to this Lodge by him, of a silver seal, formerly belonging to a Masonic Lodge held at Princeton prior to the American Revolution. This may have been the seal of the first Lodge warranted on October 25, 1765. It was adopted as the seal of the Lodge, but what became of it is not known, probably lost in the fire of June 6, 1874.

The last meeting of record of this Lodge was on November 2, 1816. A receipt for dues to November 1, 1815, amounting to \$7.76, signed by Isaac Barnes, Grand Treasurer, is on file in the Grand Lodge archives. The Lodge meetings were held on the first Monday of every month at Princeton. Permission was given to the Lodge, by the Grand Lodge in the year 1816, to hold its meetings in any part of Middlesex County. At that time Mercer County had not been created, so it was an easy matter to hold meetings "in any part of Middlesex County." Representatives of this Lodge were present at Grand Lodge in the years 1814, 1815 and 1816, but for the next five years the Lodge failed to be represented, in consequence of which the Grand Lodge, on November 13, 1821, took the following action: "That because of the failure of representation at Grand Lodge, and nonpayment of their dues to the Charity Fund thereof, the Lodge was ordered stricken from the roll of Lodges and the Grand Secretary ordered to write and demand the Warrant of the Lodge."

For the first four years these brethren served as officers:

§ He was a Ruling Elder in the Presbyterian Church.

There is no record of any work done after June 3, 1816, but there was a meeting held on November 2, 1816, as previously noted.

As near as can be determined, these members of No. 30 are supposed to have served in the Revolutionary Army: Elijah Davis, Private; William Henderson, Captain; Joseph Smith, Captain; Samuel Disbrow, Major; Redford Job, Colonel.

* Thomas Potts Johnson was the first and only Worshipful Master of Princeton Lodge No. 30. He served from 1813 to 1816, inclusive, and had been elected to serve in 1817, but the Lodge ceased to function after November 2, 1816. The following record of Brother Johnson is transcribed from Hageman's *History of Princeton and Its Institutions*:

"He was one of the distinguished lawyers of New Jersey, and one of the most notable citizens of Princeton of that period. He was not a native of this place, nor did he die here. He was born about the year 1761 and his parents were Quakers. His father, William Johnson, a native of Ireland, emigrated to this country about 1750. He married Ruth Potts, of Trenton, and removed to Charleston, S. C., where he established a boarding-school. After a residence of some years there he died, and his wife and five children removed to Trenton, where she opened a store, and

Thomas was placed as an apprentice to a carpenter. His health failing, he engaged in teaching youth and was well adapted to the occupation. He then became a partner in a mercantile house in Philadelphia, and was sent to open a branch in Richmond, Va., where he became acquainted with chief Justice Marshall and was attracted by the bar of the 'Old Dominion.' He was Recorder of that city. His store was destroyed by fire, whereupon he returned to New Jersey and settled in Princeton, where he married a daughter of Robert Stockton, and entered the office of Richard Stockton as a law student. He received his license as an attorney at law in New Jersey, in 1794, and as Counselor in 1796. His career at the bar was brilliant.

"Though Mr. Johnson was never at college, his strong mental capacity enabled him to acquire knowledge readily, and being of studious habits and having a retentive memory, he became a literary and well-educated man, versed in philosophy and science and acquainted with the French language. He soon attracted the attention of the French refugees who settled near Princeton about the time he came to the bar, and he became intimate with some of the most intelligent of them and was thereby drawn to the study of their language, and learned to pronounce as perfectly as if he had been a native Frenchman. He removed from Princeton to Lambertville, where he lived with his son-in-law, Dr. R. D. Corson, until his death on March 12, 1838. A large and fine portrait of him, painted at the expense of the bar of the State, hangs in the Flemington Court House."

† John Mershon, related to the Mershon families residing in Princeton and vicinity, was the first petitioner in Princeton Lodge No. 30, and was raised on June 6, 1814. He served as Junior Warden in 1816 and was elected as Senior Warden for 1817, but the Lodge ceased to function after November 2, 1816, the date of its last recorded meeting. He was born in Princeton, then in the County of Middlesex, on December 25, 1792. He was the son of James and Elcy Van Pelt Mershon, and grandson of Thomas and Susanna Stockton Mershon, whose home was southeast of Princeton in the vicinity of the present village of Plainsboro. John's grandfather participated in the Revolutionary War.

"On April 18, 1816, he was married to Eliza D. Ryall, daughter of George Ryall, by Rev. William Boswell, pastor of the Trenton and Lambertown Baptist Church. He left Princeton in 1821 and settled in the then village of Lambertown (now the Sixth Ward of Trenton) and engaged in the mercantile business, in which he continued until 1823, when, being appointed Clerk in the Trenton Bank, he removed to Trenton and continued with the bank for the remainder of his life.

"He was active in civic and fraternal organizations, and a member of St. Michael's Episcopal Church in Trenton, in which he served as Vestryman, Warden and Treasurer. He affiliated with Trenton Lodge No. 5 on December 3, 1821, served as its Secretary 1823-1825 and 1834-1838, and as Worshipful Master in 1831 and 1832 and from 1839 to his death

in 1842. He was especially active when Trenton Lodge No. 5 was one of the few lodges to continue holding meetings despite the bitter anti-Masonic agitation which began about 1826. He also served as Grand Secretary of the Grand Lodge of New Jersey from November, 1831, to his death on December 15, 1842. He and his wife were buried in the cemetery of St. Michael's Episcopal Church in Trenton."

Thomas P. Johnson and John Mershon are the only brethren concerning whom detailed information was available. However, the list of charter members and of those taken in during the active period of the Lodge, shows the vocations of those who comprised the membership of Princeton Lodge No. 30.

CHRONOLOGICAL RECORD OF No. 38 AS GLEANED FROM THE MINUTES OF THE LODGE

There was neither a Masonic Lodge nor Masonic activity of record in Princeton from 1816 (Grand Lodge revoked the Warrant of No. 30 in 1821) to 1855, a period of 39 years. By that time, no doubt, the number of Masons residing in and about Princeton had considerably increased, and again there arose the desire to meet as a duly organized and constituted Lodge. And so these seven brethren petitioned Edward Stewart, Grand Master, for a Warrant to meet and do Masonic work: Robert S Green, Lawyer; John H. Margerum, Tinsmith; Wessell T. Stout, Physician; John Van Tilburgh, Farmer; Henry Clow, Baker; John A. Perrine, Farmer; John I. Craig, Farmer. Of these seven, Henry Clow and John I. Craig, had been members of Princeton Lodge No. 30. This petition, having the recommendation of Trenton Lodge No. 5, received favorable consideration, and, on August 21, 1855, the following Dispensation to form the Lodge was signed and issued by Grand Master Stewart, which Dispensation was returned by the Lodge and is on file at the Grand Secretary's office in Trenton:

To All Whom It May Concern: Greeting.

Whereas a Petition has been presented to me by sundry Brethren, to wit: Brothers Robert S. Green, John Van Tilburgh, Henry Clow, John H. Margerum, John A. Perrine, Wessel T. Stout and John I. Craig, residing in the Borough of Princeton, State of New Jersey, praying to be congregated into a regular Lodge and promising to render obedience to the ancient usages and landmarks of the Fraternity and the laws of the Grand Lodge; and whereas said petitioners have been recommended to me as Master Masons in good standing by the Master, Wardens and other members of Trenton Lodge No. 5, under our Jurisdiction;

Therefore, I, Edward Stewart, Grand Master of the M. W. Grand Lodge of the State of New Jersey, reposing full confidence in the recommendation aforesaid, and in the Masonic integrity and ability of the petitioners, do by virtue of the authority in me vested, hereby grant this Dispensation, empowering and authorizing our trusty and well-beloved Brethren aforesaid, to form and open a Lodge, after the manner of Ancient Free and Accepted Masons, and therein to admit and make Freemasons, according to the Ancient Customs, and not otherwise.

This Dispensation is to continue in full force until the next annual meeting of our Grand Lodge, unless sooner revoked by me, or some other proper authority. And I do hereby appoint Brother Robert S. Green to be the first Worshipful Master, Brother John H. Margerum to be the first Senior Warden, and Brother Wessel T. Stout to be the first Junior Warden of said new Lodge to be known as Princeton Lodge No. _____

And it shall be their duty and they are hereby required to return this Dispensation with a correct transcript of the proceedings had under the authority of the same, together with an attested copy of their By-Laws, to our Grand Lodge aforesaid at the expiration of the time herein specified, for examination and such further action in the premises as shall then be deemed wise and proper.

Given under our hand and the Seal of our Grand Lodge aforesaid, at the City of Trenton, this twenty-first day of August, A. L. 5855, Anno Domini 1855.

EDWARD STEWART
Grand Master

Attest:

JOSEPH H. HOUGH,
Grand Secretary

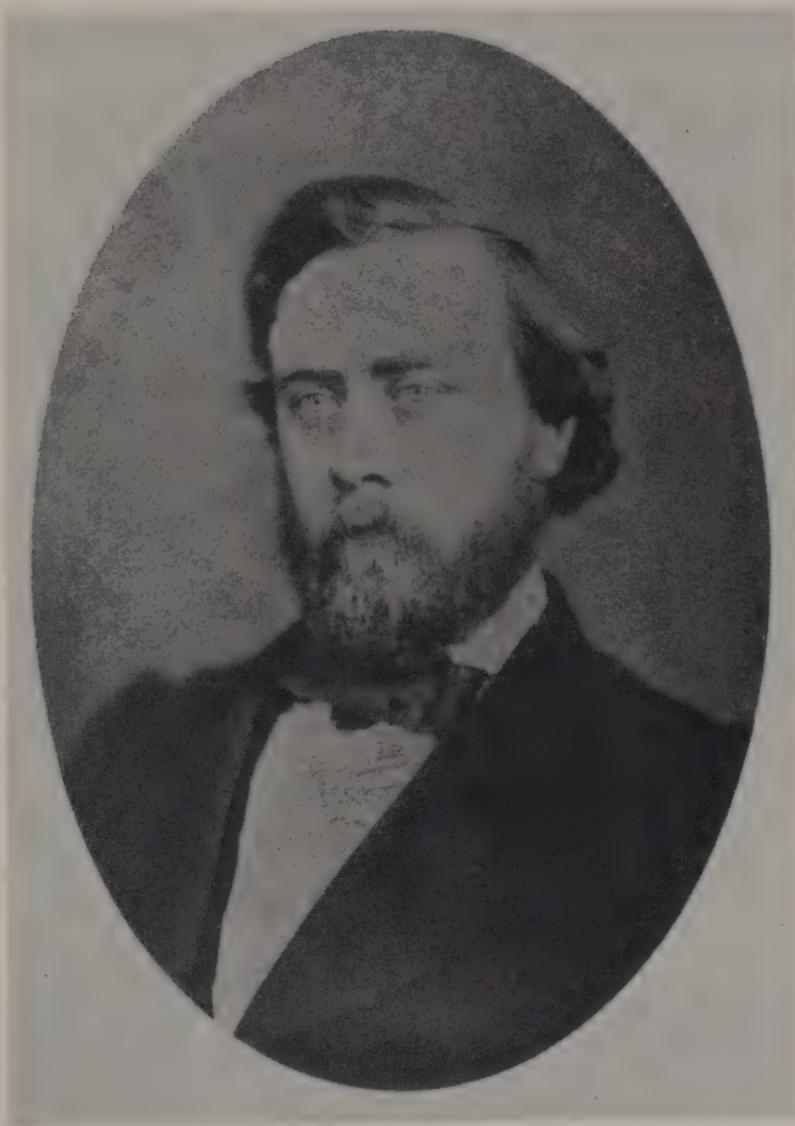

The historical sketch of the Lodge in the Grand Lodge files, states: "It is presumed that the brethren assembled on August 22, 1855, and that the Lodge was duly organized and the officers installed by M. W. Edward Stewart, Grand Master." According to the historical sketch, the following petitioners were made Masons during the time the Lodge was under Dispensation:

Robert L. Clow	Postmaster	Sep. 6, 1855
George Musgrave Giger	Professor	Sep. 6, 1855
William F. Packer	Hotel Keeper	Sep. 6, 1855
James C. Andrews	Plumber	Sep. 22, 1855
Elijah S. Fairchild	Theological Student	Oct. 30, 1855
Joseph Henderson	Tailor	Nov. 18, 1855
John Conover	Tailor	Dec. 11, 1855
George Thompson	Book Seller	Dec. 21, 1855

While the Lodge was under Dispensation these brethren served as officers: Robert S. Green, W. M.; John H. Margerum, S. W.; Wessell T. Stout, J. W.; John Conover, Treas.; George Thompson, Sec.; George M. Giger, S. D.; Joseph Henderson, J. D.; Robert L. Clow, S. S.; William F. Packer, J. S.; Henry Clow, Tyler.

The first meeting of the Lodge, while under Dispensation, was held on August 28, 1855, when a petition for the degrees of Freemasonry was received from Robert L. Clow, the first petitioner. He was duly Entered August 28, 1855, Crafted August 31, 1855, and Raised September 6, 1855. The Lodge had been granted permission to Enter, Pass and Raise candidates within the statutory time, as the minutes record that they were Entered, Passed and Raised within one week.

The early years of the Lodge were "rough and rugged," to say the least, and one of the most zealous workers for its success was Brother John H. Margerum, Senior Warden in 1855, 1856, 1857 and 1858, and Worshipful Master in 1859. His personal efforts and untiring zeal in the early years of the Lodge kept the members united, and contributed largely in bringing it safely through the early struggles for existence.

ROBERT S. GREEN
WORSHIPFUL MASTER
PRINCETON LODGE NO. 38
1855, 1856

1855

August 28. The minutes record that the room in Mercer Hall was rented from the Odd Fellows (Nassau Lodge No. 106, I. O. O. F.) at a rental of \$65.00 per year.

September 22. The first By-Laws were adopted, but there is no record of them in the minutes. They probably were destroyed by fire.

1856

January 9. The Grand Lodge ordered that a Warrant issue to Robert S. Green, W. M.; John H. Margerum, S. W., and Wessell T. Stout, J. W., for a Lodge to be known and numbered as Princeton Lodge No. 38. Thus the present Lodge came into official existence with fifteen warrant members, and, down through the century behind it, has functioned uninterrupted with distinction and honor, and with zeal and assiduity in all its labors. Of the seven petitioners for a Warrant, Brothers Green and Stout were from Washington Lodge No. 33, Elizabeth; Brother Margerum was from Union Lodge No. 19, New Brunswick; Brothers Perrine and Van Tilburgh were from Trenton Lodge No. 5, and Brothers Clow and Craig had been members of Princeton Lodge No. 30, which became extinct in 1821.

January 22. The first meeting under the Warrant was held on this date.

August 26. A payment of three dollars for a distressed worthy brother was authorized, this being the first instance of fraternal assistance.

December 23. The first officers elected under the Warrant were: George M. Giger, W. M.; John H. Margerum, S. W.; Samuel Paxson, J. W.; John Conover, Treas.; William F. Hutchinson, Sec.; Robert L. Clow, Tyler. On this date, John H. Janeway, Junior Grand Warden of Grand Lodge in 1855 and Senior Grand Warden in 1856, affiliated with No. 38, coming from Lafayette Lodge No. 27, Rahway. In Grand Lodge he went no higher than Senior Grand Warden.

1857

February 24. Interesting papers belonging to the previous Lodge No. 30, also the silver seal of the same, were presented to the Lodge by Brother John H. Janeway on behalf of James S. Green, Esquire, for which the Lodge declared a vote of thanks. On this date a committee of three was appointed to draw up such a history of Princeton Lodge as could be gathered from documents on hand. George M. Giger, John H. Janeway and William F. Hutchinson comprised the committee.

May 12. The following resolution was adopted: That the stated communications of this Lodge be held on the second and fourth Monday nights in the month. It was also resolved that the intermediate nights (presumably Mondays) be used for a Lodge of Instruction.

1858

August 16. At a special communication of No. 38 a Dispensation from Grand Lodge was read, empowering the Worshipful Master to Enter, Pass and Raise John Maclean, Jr., son of President John Maclean of the then College of New Jersey. On this date he was Entered and Crafted, and on August 23rd, one week later, he was Raised to the Sublime Degree of Master Mason. He later dimitted to Franklin Lodge No. 221, Pittsburgh, Pa.

November 8. The Lodge was visited by Deputy Grand Master John R. Chapin, who exemplified the manner of opening and closing a Lodge.

1859

September 26. The Lodge was visited by Robert C. Buzby, Junior Grand Warden, who exemplified the manner of opening and closing a Lodge. Up to 1873 the Grand Lecturer or a Grand Lodge officer visited the Lodges to exemplify the work of the degrees. A Grand Instructor was first appointed in 1875.

December 27. St. John's Day celebrated by a supper at the Mansion House, then located at what is now the entrance to Palmer Square.

1860

January 9. Charge of un-Masonic conduct against a member of the Lodge.

February 13. The first unfavorable report upon a petitioner was presented.

July 9. A Masonic trial of the above member was held this day, his offense being that he failed to obey the summons of the Worshipful Master to attend a special meeting of the Lodge. The brother was expelled, but later was reinstated and granted a Dimit.

1861

January 1. From this date the annual rent paid by the Lodge was \$50.00.

April 8. Initiation fee increased from \$10.00 to \$16.00 from this date.

June 10. By-Laws amended to make the initiation fee \$20.00.

1862

March 10. The Secretary was directed to record in the minutes that Dr. Wessell T. Stout had died on March 5th. He was one of the seven members of the Craft who signed the petition for a Warrant for Princeton Lodge No. 38.

July 27. The first Masonic Service was held for Brother William F. Hutchinson, a carpenter, who was Raised on February 13, 1856. He was born on March 20, 1831, at St. Edmonds, Lincolnshire, England; he was Secretary of the Lodge in 1857 and Tyler in 1859. He enlisted in the Union Army in 1861 and served as Captain in the 7th New Jersey Volunteers, and for some time ministered as a nurse in a hospital. He was discharged and about to return home, when he was stricken with a fever and died in the U. S. Hospital at Annapolis, Maryland, on July 22, 1862. Through the kindness of Masons his body was sent home and he was buried in Princeton Cemetery with Masonic honors. A gravestone was erected by the Lodge on May 12, 1865, the family being in needy circumstances.

October 13. Annual rent of the Lodge room was reduced to \$40.00 from October 1st.

December 8. From this date until March 9, 1863, and from March 23, 1863, until July 20, 1863, the Lodge did not meet for want of a quorum, probably due to the Civil War.

1863

April 13 to July 13. No meetings were held, the necessary quorum not being present.

September 21. Morris C. Runyon received the three degrees of Masonry on this date, by virtue of a Dispensation from M. W. Isaac Van Wagoner, Grand Master, so to do. The entire work was done by the officers of the Lodge. His enlistment in the Union Army, no doubt, was the reason for this procedure.

September 28. The Tyler was instructed to procure necessary fuel, and to have the stove cleaned.

December 14. At this meeting it was reported that sometime in October the Treasurer's (John Conover) store was robbed and the entire amount of Lodge funds in his hands (\$33.22) was stolen. The Treasurer did not ask the Lodge to bear any portion of this loss, but the Finance Committee, in the spirit of brotherly kindness, recommended that the Lodge bear a portion, if not the whole, of the loss sustained. The Lodge ordered a warrant to cover the entire amount of the loss, and the Treasurer was directed to open a bank account and not keep Lodge funds in his store.

December 28. The Tyler was authorized to procure a stove and the necessary appendages to be placed in the preparation room.

1864

July 25. The salary of the Tyler was fixed at \$15.00 per year, and his dues remitted from January 1, 1864.

December 26. The salary of the Tyler for the coming year was fixed at \$20.00, and dues remitted.

1865

February 13. The Lodge purchased, and had set up, a gravestone for Brother William F. Hutchinson, who had served both as Secretary and Tyler, and died at the age of 35. This, and other help, aid and assistance, was given by the Lodge to the family of this worthy brother in their distress.

March 27. The Lodge room, and a smaller room formerly used by the Young Men's Club, rented for a five-year period at \$85.00 per year.

November 7. On motion, it was ordered that the Lodge be opened each evening with singing, and Brother James R. Campbell was elected Chorister.

December 20. A Lodge of Sorrow was held in memory of George M. Giger. After preliminary ceremonies in the Lodge room, the members moved in formal procession to the Methodist Church, where an able and eloquent address suitable to the occasion was delivered by Past Senior Grand Warden, Thomas J. Corson, of Trenton Lodge No. 5. Following the service in the church, the procession was re-formed and returned to the Lodge room, where the remaining ceremonies were performed in a solemn and befitting manner. At the time of his death on October 11, 1865, he was Junior Grand Warden of Grand Lodge, and, in due process of advancement, undoubtedly would have been elected Grand Master.

1866

January 8. On motion, each brother was requested to furnish the Lodge with his photograph for the purpose of ornamenting the walls (which later was discontinued).

February 12. An altar, made by Brother Josiah W. Wright, was presented by him to the Lodge and a vote of thanks was accorded the donor.

March 6. Paul M. Tulane was passed to the Fellow Craft Degree and, after a ten-minute recess to ascertain the cause of an alarm of fire, he was Raised to the Sublime Degree of Master Mason by virtue of a Dispensation from the Grand Master so to do. Brother Tulane established and operated an extensive mercantile business in New Orleans, Louisiana, in which city he founded Tulane University. His home was at 83 Stockton Street, Princeton, and he was buried in Princeton Cemetery.

May 28. The minimum initiation fee in the Lodges was increased from \$20.00 to \$30.00 by Grand Lodge.

July 9. The Lodge increased its initiation fee to \$30.00.

In the year 1867 the cornerstone of the old Halsted Observatory, on the campus of the College of New Jersey (now Princeton University), was laid with solemn Masonic ceremonies by Wor. Bro. N. Norris Halsted, Past Master of Holland Lodge No. 8, New York, and at that time a member of St. John's Lodge No. 1, Newark.

December 21. Annual installation of officers held while on the Entered Apprentice Degree.

December 28. Abel W. Hartwell, of Star Lodge No. 65, Tuckahoe, New Jersey, was one of the visitors at this meeting. He was the Principal of the old Princeton Model School, now replaced by the Elementary and Junior High Schools, on Nassau Street. He was a frequent visitor.

1869

March 15. Address by Leroy H. Anderson, Past Master, on the four cardinal virtues of Fortitude, Prudence, Temperance and Justice, the Lodge being on refreshment for two hours. The audience was composed largely of ladies, and, after they and their friends retired, labor was resumed on the Master Mason Degree. This address was printed and published and a copy is on file in the archives of the Lodge.

July 19. Brother Thomas Applegate addressed the Lodge on "The Cause of the Dissolution and Downfall of Human Institutions, and why the history of the Masonic Order differs from the ordinary history of man." The audience was composed of a goodly number of ladies and gentlemen, besides the brethren.

At the communications of August 23, September 13 and 27, neither the Master nor the Wardens were present, hence no meetings were held.

November 8. A committee of two (Morris H. Krauskopf and James L. Briner) was appointed to examine "whether the stove in the lodge-room is liable to fire the building, or not."

1870

September 12. The Lodge was visited by William W. Goodwin, Senior Grand Warden of the Grand Lodge.

October 26. Members of No. 38 attended the laying of the cornerstone of the Masonic Temple in New Brunswick.

December 19. The Secretary and Tyler were each paid \$25.00 for services rendered during the year.

December 22. Fire in Mercer Hall, which started in the small room over the stairway, on the second floor of the building. The inhabitants of the town generally turned out, and all the engine companies were promptly on hand and the fire was extinguished, though not before considerable damage was done. The Lodge room was in peculiar danger and, though the room was filled with smoke, the brethren removed all the jewels and furniture and took up the carpet, to be prepared for the worst. Fortunately, however, the fire was put out and the building saved from destruction.

1872

May 27. A member of the Lodge was suspended for an indefinite time for un-Masonic conduct, after trial and vote by the Lodge.

June 24. Owing to the extreme heat, there was no quorum present; also, because of the continued severe heat, no meetings were held during July, August and September.

November 25. The Lodge was visited by William Mead, Grand Lecturer, who made remarks and suggestions in reference to the work of the Master Mason Degree.

1873

Up to December 8 stated communications were held during July and August, but from January 1, 1874, an amendment of the By-Laws permitted their omission during those months, at the discretion of the Lodge.

1874

June 6. On this date Mercer Hall was destroyed by fire, and No. 38 lost all its furniture, regalia, etc. Fortunately, the minute-book, Book of By-Laws and Visitors' Book were rescued, but in so burned and mangled a condition as to be hardly recognizable. The Lodge was insured for \$500.00.

June 8. Stated communication of the Lodge was held in the room of Mercer Engine Company No. 3, and for the rest of the summer meetings were held in rooms on the top floor of the old Princeton Press Building, located at 30 Nassau Street. Despite its great loss by fire, the Lodge contributed \$20.00 to the Grand Lodge Fund for relief of suffering citizens of Louisiana. At this meeting a committee consisting of Charles O. Hudnut, Past Master, Aaron L. Green, James Scarlett and John H. Margerum was appointed to endeavor to supply a history of the Lodge as a substitute for the old minutes and records that were so badly burned and damaged by the fire of June 6th.

June 13. The Lodge contributed \$25.00 to the Grand Lodge Fund for relief of sufferers from the flood and famine occasioned by torrential rains causing the Mississippi River to overflow and inundate a large part of the State of Louisiana. The Lodges of the State contributed a total of \$1,716.50.

July 13 and 24. Stated communications held in the room of Stockton Council No. 66, Junior Order of American Mechanics.

July 13. The committee appointed on June 8th presented the following report:

The Committee appointed at the stated communication of June 8th, to prepare a statement and Memorial of the fire, respectfully report:

That the fire, as near as it can be located, originated in the second story of Mercer Hall, on the floor below the Lodge-room; that it broke out at about half past one in the morning of June 6th and, after raging for hours, was finally put out only after destroying almost every article of furniture of which we were possessed—carpets, chairs, pictures, jewels—were all consumed. The old chest, with its contents, was spared. The loss, which was of the greatest importance to us, and which it will be impossible to supply, is the Minute Book containing the records of the Lodge prior to 1867. We had effected an insurance upon the furniture of \$500.00, which will probably about half cover the damage sustained.

The Mercer Hall property was build in or about the year 1846, and the old lodge-room therein was the first and only one ever used by Princeton Lodge No. 38, having been first occupied in 1856, making in all a period of eighteen years. It was the place where nine-tenths of all our members were brought to Masonic light, and, associated with it, are almost all the eventful incidents of our Masonic lives.

We write this account of its destruction, therefore, with genuine sorrow, being reminded of the instability of all earthly affairs, and that the only safe and lasting habitation is the "house not made with hands, eternal in the Heavens."

It was necessary, for the record of the Lodge, that the books and Minutes be rewritten, in so far as possible, at once, as handling them in their charred and mangled condition would quickly finish what fire and water had so nearly accomplished. So, having the time and the interest to do it, Charles O. Hudnut, Past Master, Historian of the Lodge at that time and very active in its affairs, very carefully and with great labor deciphered and transcribed the entire Minute-Book from 1855 through 1867, but the records of many meetings were incomplete and indecipherable, due to their badly burned and damaged condition. The Lodge is greatly indebted to Brother Hudnut, long since departed, for this restoration, though in some instances only in part, and this history would be remiss if it did not record, with gratitude, the labors of Brother Hudnut.

September 14. First meeting of the Lodge held in rebuilt Mercer Hall. Beginning October 1st the yearly rent was \$125.00, a five-year lease being taken at this rental.

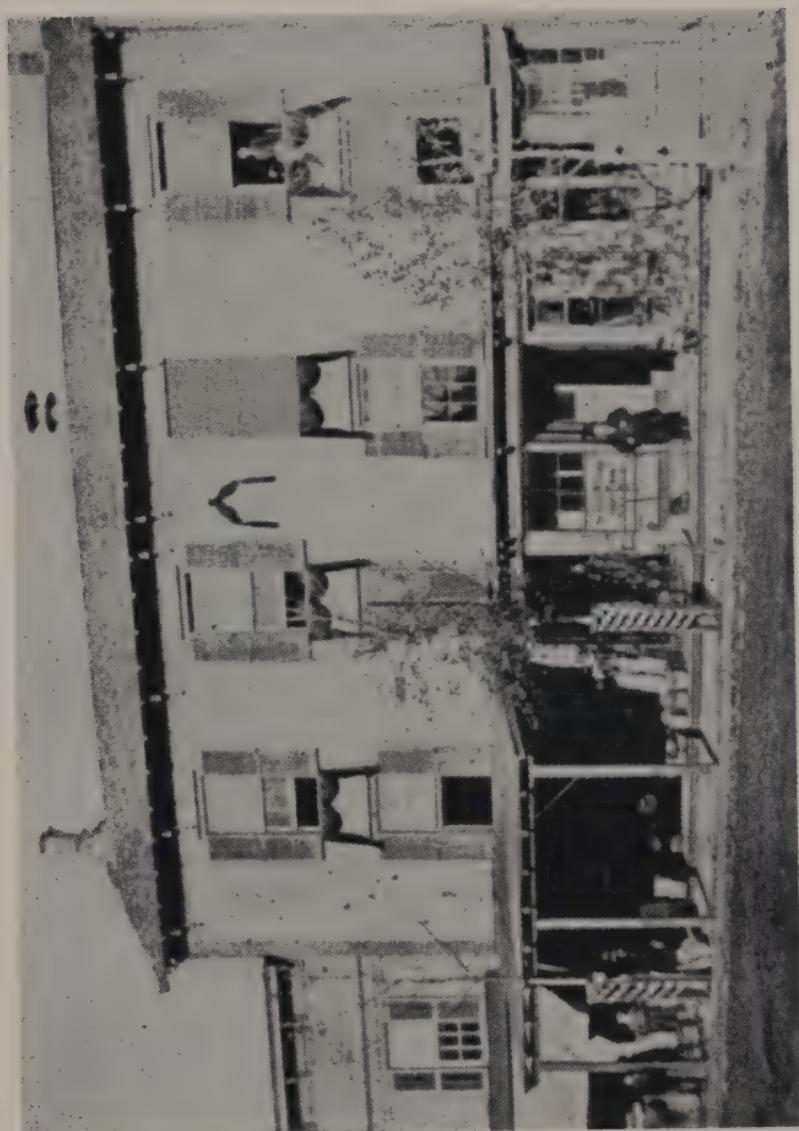

At this meeting the Worshipful Master reported: That on July 21st, in compliance with the invitation of Trenton Lodge No. 5, a few members accompanied him to Trenton, and Trenton Lodge No. 5, at our request, conferred the Master Mason Degree upon Brother Fellow Craft Foster W. Van Kirk.

December 14. The committee on new furniture and paraphernalia reported that their work was completed at a total cost of \$1,895.80. Among the expenses was \$22.00 for "spittoons."

The Lodge adopted the following resolution providing for a record of those who signified their desire for a Masonic Service at their death:

"Impressed with a realizing sense of the shortness of life and the nearness and certainty of death, we

"The undersigned, hereby place upon record our request that, when we shall be called from labor in this Lodge terrestrial to rest in the Lodge celestial, the hands of loving brethren may bear our bodies to their last resting place and commit them, with kindly sympathy, to the embrace of Mother Earth; and that, enshrined in your hearts, our memories may be ever fresh and green. And we also here record the hope that all the Brethren of our beloved Lodge may be raised at last to sit in the Celestial Lodge above, where the Supreme Architect of the Universe presides."

MERCER HALL
126 NASSAU STREET
AUGUST, 1855—OCTOBER 1, 1914

June 11. On this date the annual dues were increased from \$3.00 to \$6.00.

October 22. The Worshipful Master stated that he had attended the Lodge for instruction at Trenton and had been very favorably impressed. He explained the difference between the work of No. 38 and the work in the Jurisdiction known as the "New Jersey Work," and recommended

that No. 38 learn the New Jersey work as used in this Jurisdiction. Apparently, No. 38 was using ritual not approved by the Grand Lodge. December 17. Officers for 1878 were installed while at labor on the Entered Apprentice Degree.

1878

March 25. No. 38 was visited by Thomas H. R. Redway, Deputy Grand Secretary.

1882

March 27. The committee appointed to suggest some method of awakening an interest in the Lodge, reported that they would advise a discussion on some Masonic subject, and suggested as the first question: "Should a Mason defend another Mason at all times and under all circumstances?" Leroy H. Anderson to speak for the affirmative, and William C. Vandewater for the negative. The question was decided in the negative by a vote of the Lodge.

April 24. The Lodge room was subrented to the Odd Fellows for their weekly meetings, at \$130.00 per year.

May 22. The next question suggested and adopted for debate was: "Is a Mason prohibited by Masonic law from asking a profane to present a petition for initiation?" The Worshipful Master appointed William C. Vandewater to defend the affirmative, and Aaron L. Green the negative. The question was decided in the negative by a vote of the Lodge.

For nearly four days the town was entirely cut off from all railroad and telegraphic communication.

1889

April 22. A gavel was presented to the Lodge by Leroy H. Anderson, Past Master. He stated that he had good reason for believing that this gavel was used by George Washington at the time he was Master of the Lodge at Alexandria, Virginia. In the "History of Freemasonry in New Jersey" (1937), by David McGregor, Grand Historian, mention is made of the two Military Lodges that operated in New Jersey in the Continental Army during the War of the Revolution, which Lodges functioned by virtue of authority from the Provincial Grand Lodge of Pennsylvania. Of one of these Military Lodges, the Reverend Andrew Hunter was Worshipful Master. Andrew Hunter was a son of David Hunter, an officer in the British Army and resident of Virginia, where Andrew was born in 1752. He was graduated from Princeton College in 1772, studied for the minis-

try, and, in 1804, became Professor of Mathematics and Astronomy in the college from which he was graduated. His second wife was Mary Stockton, daughter of Richard Stockton, the Signer, by whom he had three sons, one of whom was Louis Boudinot Hunter. Miss Sarah Hale Hunter, for many years a resident of Princeton, and long since deceased, was a daughter of Louis Boudinot Hunter and a granddaughter of Andrew Hunter.

For many years she had in her possession the Masonic apron of her grandfather; also, a certificate inscribed in Latin, French and English, dated January 27, 1780, and certifying that he was a regular member of Lodge No. 19 of the Province of Pennsylvania. While this was a Pennsylvania Lodge, yet a large number of the New Jersey troops were members, and, when the various brigades were dispersed, it left the New Jersey members of No. 19 without a Lodge or a Warrant to hold Masonic Communications. Twenty of these New Jersey members petitioned the Grand Lodge of Pennsylvania for a Warrant for a Military Lodge within their own ranks, which request was granted and a Warrant duly issued on September 2, 1782, creating Lodge No. 36. Among the twenty who petitioned for this new Lodge was Andrew Hunter, who was appointed its first Worshipful Master and installed as such on December 11, 1782. The Reverend Andrew Hunter was the first regularly appointed Grand Chaplain of the Grand Lodge of New Jersey, serving in that office during the year 1802.

On December 13, 1926, Miss Hunter presented Princeton Lodge with the apron and certificate of her grandfather, and the Lodge, on February 25, 1935, presented them to the Grand Lodge of New Jersey for its museum of Masonic articles of historic interest. To help Brother Schafer in financing the extra second floor for our benefit (he had planned only a one-story building), it was voted to borrow \$5,000.00 on a note at the Princeton Bank and Trust Company, the note to be secured by an assignment to the bank of a \$22,000.00 mortgage upon the premises, made by Carl C. and Lillian A. Schafer to Princeton Lodge No. 38. This note has since been paid in full.

September 26. Those present at Lodge were divided into two groups, one composed of the Wardens and Past Masters, the other group of all other brethren present. A series of questions, True or False, was then asked. The answers were interesting and instructive, and brought out the fact that many of the members were not as enlightened on Masonic laws and procedure as they should be.

October 24. The Lodge contributed \$25.00 to the Princeton Community Chest. After Lodge was closed, the Initiatory Degree of the De Molay was conferred on a class of candidates for the benefit of the Lodge. Bro. Fred Vandeventer, news commentator, was present and explained that the Initiatory Degree is preparatory to the one following, which is a portrayal of the life of Jacques De Molay, who was Grand Master of the Knights Templar during the days of the Inquisition.

November 28. Resolution adopted authorizing the Trustees to enter into a five-year lease of the entire second floor of Brother Schafer's new building at 350-352 Nassau Street, at a yearly rental of \$1,500.00, beginning January 1, 1950. At this meeting various members of the Lodge volunteered to donate blood to the blood-bank being conducted at Princeton Hospital.

December 12. It was voted that the Lodge loan such of our old furniture to the Hook and Ladder Company as they may want, until such time as the Lodge may need it again. In 1950 a senior in Princeton University was assigned the task of writing a thesis on "Freemasonry." For information and enlightenment as to the tenets of the Fraternity, its age, its method of operation, and its function in community, state and nation, he wrote to the Grand General Secretary of the Scottish Rite Bodies of the Massachusetts Consistory, at Boston. The reply of the Secretary was published in the August, 1950, number of *Square and Compass*, a monthly magazine of Masonry published in Denver, Colorado. It was a masterpiece, and worthy of being considered a thesis in itself, being extremely interesting and instructive to Masons

everywhere. It was incisive in its logic, lucid in expression, and most convincing. Would that this reply could be included here in full, but nine pages were necessary for its publication in the magazine in question.

1951

March 12. After Lodge was closed, Brother Ralph S. Holmes showed color pictures taken by him on his trip to Europe during the summer.

April 23. At the close of Lodge, a few visitors, not members of the Craft, were admitted, and Bro. Fred Vandeventer, news commentator, gave a very interesting address on the Truman-MacArthur affair, concluding with an instructive talk on Freemasonry.

February 22. The Lodge informally observed the birthday of Brother George Washington. The program consisted of the salute to the Flag, singing of a hymn and the national anthem, with an address by Charles K. Houck, D. D. G. ITEMS OF INTEREST

The Lodge is fortunate in having a complete file of photographs of all the Worshipful Masters from 1855 to the present year, which are kept in Memorial Albums, marked with the name and year or years of service of each one.

With the exception of the year 1858, Princeton Lodge No. 38 has been represented at the Annual Communications of Grand Lodge. The reason for the lapse of that single year could not be ascertained. During the years of the Civil War the Lodge did not fail to answer the roll-call of the Lodges at Grand Lodge.

From 1855 to 1865 the Lodge voted on a candidate's proficiency in the work of the E. A. and F. C. Degrees, which procedure was discontinued and replaced by the prerogative vested in the Worshipful Master to determine the candidate's preparedness for advancement.

On January 13, 1868, Charles O. Hudnut, Past Master, was appointed Historian and Librarian of the Lodge, and two volumes to start a library were donated by Charles H. Olden.

From 1855 to December 31, 1887, the closing statement in the minutes of each meeting was: "The Lodge closed in peace and harmony at . . . P. M." Since then the closing statement has been: "The Lodge was closed in Due and Ancient Form at . . . P. M." However, after 1937, when the hour was late, the Worshipful Master frequently requested a Past Grand Master, who is a member of the Lodge, to close in Ample Form.

The pedestals for the three Lesser Lights are part of the original furniture used when the Lodge was located in Mercer Hall, 126 Nassau Street, having been purchased after the fire of June 6, 1874. They link us to the years gone by and are mute reminders of those brethren who pioneered in Princeton Lodge and have gone on before us. Theirs was the labor and sacrifice, ours the heritage and enjoyment.

On November 27, 1905, the Committee on the Fiftieth Anniversary of the Lodge reported adversely against holding it, because of the prohibitive cost and the low finances of the Lodge. The 100th Anniversary is the only one in the life of the Lodge that has been officially observed.

The G in the East of the Lodge room is the gift of Brothers Gideon B. Godown, George F. Karch and Carl C. Schafer, Sr.

Brother Marcus S. Farr (deceased) was duly elected and installed as Worshipful Master for the year 1917, but served only a very brief period, being called to duty in World War I. He served in the U. S. Army slightly over two years, both in this country and in Europe. His term as Worshipful Master was completed with distinction and honor by

Milford H. Van Cleve, Senior Warden, who, in 1918, also answered his country's call to service.

Two members of Princeton Lodge No. 38 have been Potentates of Crescent Temple, A. A. O. N. M. S., Marcus S. Farr in 1935 and 1936 and Ernest R. Kerr in 1938 and 1939.

The Reverend Bro. John Lawrence Pitt, of No. 38, is Secretary of the Scottish Rite bodies in Trenton, having been elected to that office on May 7, 1946.

Five of our members have been honored with the 33°: Marcus S. Farr (deceased), Ernest R. Kerr, John Lawrence Pitt, George C. Knaefler and George R. Griffing.

A delegation of about thirty members attended Garibaldi Lodge, New York, on March 19, 1935, and witnessed the conferring of the Entered Apprentice Degree in the manner peculiar to that Lodge.

On May 14, 1935, members of the Lodge visited Mozart Lodge No. 436, Philadelphia, this being the only Lodge in that jurisdiction in which music is permitted. It was established by musicians and named in honor of Wolfgang Amadeus Mozart, the famous composer, who was made a Mason in a Lodge in Vienna, Austria, in 1784. The visit was arranged by Bro. William R. Flinn, a teacher in Princeton High School and a member of that Lodge.

The room of No. 38 is also used by the Mary Ellen Assembly, Order of the Rainbow Girls.

William C. Sinclair, Past Master, a guest at the Masonic Home, died there on October 18, 1946. On October 20th the officers and several members journeyed to the Home at Burlington and conducted a Masonic Service. Princeton Lodge has had a total of eight guests at the Home since its dedication on June 24, 1898, with three dependents of brethren having received outside financial assistance and one receiving assistance at the present time.

In 1933 the Lodges of the 15th and 28th Districts formed a bowling league, all games being rolled at the Curtis alleys in Trenton. Brothers Ernest G. Hunt, Ralph E. Kimble and George B. Rollings, Sr., were appointed a committee to represent No. 38 in its formation and operation. The league functioned for four full seasons, but was disbanded during the season of 1937-38, due to difficulty in getting sufficient members to make a team, general decline of interest, and other adverse conditions. Gerrit V. D. Cortelyou was captain of No. 38's team for the 1933-34 season, Robert A. Benham for 1934-35 and 1935-36, Ernest G. Hunt for 1936-37, and John Vandenberge for 1937-38. During Brother Hunt's captaincy No. 38 finished as the second best team, Brother Benham won the cup for the highest average score for the season, and Brother Vandenberge won the prize for the highest individual score. The league

was a big factor in bringing the Lodges of the two Districts closer together, and more firmly uniting the brethren in friendship and fellowship.

Joseph M. Stillwell, father of Symmes H. Stillwell and grandfather of Joseph Morford, Oscar S and Howard M. Stillwell, was the only candidate Raised in Trenton Lodge No. 5 in the year 1832. This was during the time of the agitation against the Masonic fraternity over the Morgan affair, and accounted for only the one raising that year.

During World War I, the Secretary of the Lodge received numerous inquiries from many places in the United States asking if President Woodrow Wilson was, or ever had been, a member of Princeton Lodge or of the Craft elsewhere. The Grand Secretary also received similar inquiries. He was not a member of this or any other Lodge, nor had he ever petitioned.

From time to time, especially during World War I, the Secretary of No. 38 received inquiries asking if Dr. Henry van Dyke, distinguished author, educator, and Minister to the Netherlands, was a Mason. These inquiries may have been due to the Masonic tenor of some of his writings, particularly his meaningful verse on "Four Things," and the hymn, "The Nation." Be that as it may, he was not a member of the Craft.

A "Golden Raising," as it was then designated, was being planned to observe the 50th anniversary of the Raising of Henry Clow, Sr., but his death on November 10, 1867, ended all plans for the event. He was Raised in Washington Lodge No. 12, New Brunswick, on October 2, 1809, became a member of Princeton Lodge No. 30 by affiliation, and was one of the seven brethren who, in 1855, signed the petition for a Lodge in Princeton (No. 38). This contemplated event may well have been the forerunner of the present-day observance, and the presentation by Grand Lodge, of Gold Tokens in recognition of brethren who have been members of the Craft for fifty years.

The O'Kane building, 126 Nassau Street (formerly Mercer Hall, where No. 38 held its meetings from 1855 to September 28, 1914) was completely destroyed by fire on February 12, 1943.

Fourteen members of No. 38 have been honored by Grand Lodge with Gold Tokens in recognition of fifty or more years of membership in the Craft. These honored Brethren are: Matthew Bergen, James L. Briner, B. Franklin Bunn, Augustus Dohm, Wilhelm C. Durner, Ira D. Fulmer, George C. Groendyke, William B. MacNamee, Frederick A. Rowland, John R. B. Slayback, J. Morford Stillwell, Symmes H. Stillwell, Alonzo F. Wright, and Elias D. Wright. Of these, seven are living at the present time. A separate page is dedicated to these brethren, giving their Gold Token records.

Herbert Adams Gibbons, author, writer and lecturer, was a member of No. 38. In the March, 1928, number of *The Master Mason*, there was a most interesting article by him concerning "John Wanamaker, Mason."

The Dispensation granted to No. 38 by Edward Stewart, Grand Master, in 1855, stipulated that the Lodge could make Masons without adhering to the rule of one month.

In 1878, William W. Stelle, Past Master, was appointed to act as Grand Secretary pro tempore during a ten-day absence from the State of Joseph H. Hough, Grand Secretary. He forwarded \$1,849.17 for relief of brethren and their families during an epidemic of yellow fever in the Southern States.

In 1923 the Lodge contributed \$250.00 to the Masonic Home for furnishing rooms in the new addition to the Home.

In 1926 the Lodge contributed \$318.00 to the Masonic Charity Foundation, and \$25.00 to the Christmas Fund for guests at the Home.

In 1932 the Lodge contributed \$100.00 to the George Washington National Masonic Memorial Fund, at Alexandria, Virginia.

In 1934 Bro. J. Lawrence Pitt was appointed Supervisor for the 15th District of the Grand Master's (Francis P. Morton) program for instruction and education of all New Jersey Masons, particularly new members, in the principles and purposes of Freemasonry, but the program was not adopted by Grand Lodge.

The Lodge made these contributions to Masonic Service Centers: 1941, \$25.50; 1942, \$118.10; 1943, \$222.70.

To the Welfare Fund of the Masonic Home, the Lodge contributed \$25.00 in 1948 and \$51.00 in 1949. In 1952 the Lodge contributed \$204.00 to the Thanksgiving Day Donations for the Masonic Home.

It is the custom of the Lodge, at the end of each Worshipful Master's term of office, to present him with a bound volume of the *Bulletins* issued during his year, inscribed with his name and year of service. This makes a pleasing and interesting memento of his year in the East.

The Princeton Shrine Club was organized on November 22, 1928, with 63 members. The first officers were: Myron E. La Vake, Sr., President; George F. Karch, Vice-President; Stanley S. Bergen, Secretary and Treasurer. As of December 31, 1955, the members number 138 and for 1956 the officers are: Edward L. Lloyd, President; Ernest G. Hunt, Vice-President; Joseph S. Cruser, Secretary and Treasurer. Meetings are held in Mercer Engine Company Fire House, on Chambers Street.

Princeton Chapter, No. 91, O. E. S., which meets in our Lodge room, was instituted on December 1, 1917, with 34 members. The line officers selected at that time were: Mrs. Minnie Johnson, Worthy Matron; Almon Parker, Worthy Patron; Mrs. Mary E. Matthews, Associate Matron; Mrs. Lesta H. Struve, Secretary; Mrs. Josephine Pierson, Treasurer; Mrs. Elizabeth Leigh, Conductress; Mrs. Mary Vanneman, Associate Conductress. As of December 31, 1955, they are: Mrs. Elizabeth Slayback, Worthy Matron; Gerrit V. Cortelyou, Worthy Patron; Mrs.

Beverly Hinkson, Associate Matron; Mrs. Lesta H. Struve, Secretary; Mrs. Ada Lloyd, Treasurer; Mrs. Jessie Stalnaker, Conductress; Mrs. Elsie Mugford, Associate Conductress. The Chapter has 260 members as of this date.

The Centennial Anniversary of Princeton Lodge No. 38 will be observed on January 23, 1956, at 7:30 P. M. By Dispensation the Stated Meeting of the Lodge on that date will be held in the Auditorium of the Elementary School on Nassau Street, which has been engaged for the occasion because the Lodge room will not accommodate the large assembly that will be present. M. W. Joseph H. Gick, Grand Master, and members of his staff, and members of Princeton Lodge will be entertained at the Anniversary Dinner preceding the meeting, to be served at the Princeton Inn at six o'clock.

The committee of five members originally appointed to plan for the Anniversary consisted of William H. Rhodes (chairman), Robert H. Schafer, Walter B. Foster, George J. Knowles, Charles G. Osgood. The following members have since been added to the committee: Robert Drummond, George R. Griffing, Henry D. Hohl, Jr., Ralph S. Holmes, Harry E. Hutchinson, Benjamin Kahn, Wilbur F. Kerr, Harry H. Kerr, George C. Knaefler, William H. Lahey, James Pace, George B. Rollings, Jr., Carl C. Schafer, Sr., Percival B. Sylvester, Jr., Milo L. Wadlin, Raymond C. Whitlock, Richard C. Winship, Raymond F. Woolf, and John C. Yeoman.

The records of the Craft tell of a case of feminine curiosity which resulted in one woman becoming a member of the Masonic fraternity, in explanation of which we quote from the *Encyclopaedia of Freemasonry*, by Albert G. Mackey.

"The Hon. Mrs. Aldworth, well known as 'the Lady Freemason,' was the Hon. Elizabeth St. Leger, daughter of Lord Doneraile of Doneraile Court, County Cork, Ireland. She was born in 1693, and married in 1713 to Richard Aldworth, Esq., of Newmarket Court, County Cork. There appears to be no doubt that while a girl she received the First and Second degrees of Freemasonry in Ireland, but of the actual circumstances of her initiation several different accounts have been given. Of these the most authentic appears to be one issued at Cork, with the authority of the family, in 1811, and afterward republished in London.

"From this it appears that her father, Viscount Doneraile, together with his sons and a few friends, was accustomed to open a Lodge and carry on the ordinary ceremonies at Doneraile Court, and it was during one of these meetings that the occurrence took place which is thus related: It happened on this particular occasion that the Lodge was held in a room separated from another, as is often the case, by stud and brickwork. The young lady, being giddy and thoughtless, and determined to satisfy her curiosity, made her arrangements accordingly, and, with a pair of scissors, (as she herself related to the mother of our informant), removed a portion of a brick from the wall, and placed herself

so as to command a full view of everything which occurred in the next room; so placed, she witnessed the two first degrees in Masonry, which was the extent of the proceedings of the Lodge on that night. Becoming aware, from what she heard, that the brethren were about to separate, for the first time she felt tremblingly alive to the awkwardness and danger of her situation, and began to consider how she could retire without observation. She became nervous and agitated, and nearly fainted, but so far recovered herself as to be fully aware of the necessity of withdrawing as quickly as possible; in the act of doing so, being in the dark, she stumbled against and overthrew something, said to be a chair or some ornamental piece of furniture. The crash was loud; and the Tiler, who was on the lobby or landing on which the doors both of the Lodge room and that where the Honorable Miss St. Leger was, opened, gave the alarm, burst open the door and, with a light in one hand and a drawn sword in the other, appeared to the now terrified and fainting lady. He was soon joined by the members of the Lodge present, and luckily; for it is asserted that but for the prompt appearance of Lord Doneraile and other steady members, her life would have fallen a sacrifice to what was then esteemed her crime. The first care of his Lordship was to resuscitate the unfortunate lady without alarming the house, and endeavor to learn from her an explanation of what had occurred; having done so, many of the members being furious at the transaction, she was placed under guard of the Tiler and a member, in the room where she was found. The members reassembled and deliberated as to what, under the circumstances, was to be done, and over two long hours she could hear the angry discussion and her death deliberately proposed and seconded. At length the good sense of the majority succeeded in calming, in some measure, the angry and irritated feelings of the rest of the members, when, after much had been said and many things proposed, it was resolved to give her the option of submitting to the Masonic ordeal to the extent she had witnessed, and if she refused, the brethren were again to consult. Being waited on to decide, Miss St. Leger, exhausted and terrified by the storminess of the debate, which she could not avoid partially hearing, and yet, notwithstanding all, with a secret pleasure, gladly and unhesitatingly accepted the offer. She was accordingly initiated.

"After her marriage, Mrs. Aldworth seems to have kept up her connection with the Craft, for her portrait in Masonic clothing, her apron and jewels, are still in existence, and her name occurs among the subscribers to Dassigny's *Enquiry* of 1744; and it has even been stated that she presided as Master of her Lodge."

In 1931 Brother and Mrs. Charles G. Osgood traveled through Ireland. Their itinerary took them to the town where Mrs. Aldworth, known as the "Lady Freemason," was initiated, and while there Brother Osgood met one of Mrs. Aldworth's descendants, who related the details of the story to him. Princeton Lodge was privileged to have Brother Osgood tell us of his unique experience.

*Adjustment of membership differences—one addition.

An analysis of the above report shows that, during a century of existence, five members were suspended for un-Masonic conduct and only two were expelled; one of the expulsions was, strange as it seems, for failure to obey the summons of the Worshipful Master to attend an Emergent Communication of the Lodge. The greatest number of Raisings was 29 in 1920, followed by 27 in 1921, while there were eight years in which there were none. The largest membership was 344 as of December 31, 1955. Down through the century 220 members have passed to that bourne whence none return.

From 1855 to date, 74 Worshipful Masters have occupied the Oriental Chair in our East, 39 of whom are living. Wilbur F. and Harry H. Kerr, Jr., sons of Harry H. Kerr, Sr., followed in the footsteps of their father through the East. Joseph Morford Stillwell, who was Master in 1905, is the oldest living Past Master in point of service. Robert S. Green, the first Worshipful Master of No. 38, was made a Mason "at sight" by Edward Stewart, Grand Master, in Washington Lodge No. 33, Elizabeth, on April 18, 1855; he affiliated with Princeton Lodge No. 38 and was its first Worshipful Master, being so elected on August 21, 1855, and reelected in 1856. He reaffiliated with Washington Lodge No. 33 on January 2, 1857. He was Grand Pursuivant of Grand Lodge 1859 to 1863, and Governor of New Jersey 1887-1890.

Of the affiliated Past Masters, Brothers Beach and Schauffler have passed on to that country whence none return. Brother Schauffler affiliated with No. 38 from Lakewood Lodge No. 174 in 1922, as did also Brother Kayser. Brother Schauffler served on the Grand Lodge Committee on Credentials of Representatives and returns of Lodges. He served as Chaplain of No. 38 during 1926; he was Grand Marshal of the Grand Lodge in 1912, and Grand Representative to the Grand Lodge of New Jersey from the Grand Lodge of Rhode Island from 1908 to his death on April 30, 1933.

Of the other officers, Valentine Arnheiter was Treasurer for a period of 35 years. He died on February 7, 1915, in the 87th year of his age, and was buried in the cemetery of St. Paul's Roman Catholic Church, in Princeton. Edward B. Snook, the present incumbent, is a close second to him with 33 years at this Anniversary. William F. Hutchinson, Secretary in 1857 and Tyler in 1859, enlisted in the Northern Army in the Civil War, and died in a hospital, of fever. John R. B. Slayback was Secretary for 26 years from 1914 to 1940. The longest period of service was that of John J. Stryker who, for 39 years, guarded the outer door as Tyler.

Through our West Gate have come petitioners from all walks of life—professor and student, teacher and scholar, mechanic and clerk, clergy and laity—all seeking the great light of Freemasonry with its salutary influence upon, and uplift of, mankind. At the present writing there are 344 members on the roster, many of whom have journeyed far and settled in other localities, but retain their Masonic home in Princeton Lodge.

We now cease from labor and go on refreshment, with the hope that this recital will be of interest and enlightenment to the members. From such an illustrious past as we have enjoyed, let us gather renewed interest and zeal in the welfare of the Craft in general and of Princeton Lodge in particular. May we of the present day and generation rightly interpret and understand its symbolism and teachings, and rededicate and reconsecrate ourselves to the sublime and eternal principles of our beloved Fraternity, having always in mind the Fatherhood of God and the Brotherhood of Man.

“and, departing, leave behind us
footprints on the sands of time.”

IN MEMORIAM

TO THE MEMBERS OF THE CRAFT
IN AND ABOUT PRINCETON
WHO HAVE BEEN SUMMONED BY
THE GRAND MASTER OF THE UNIVERSE
TO DWELL IN "THAT HOUSE NOT MADE
WITH HANDS, ETERNAL IN THE HEAVENS"

Strange—is it not?—that of the myriads who
Before us passed the door of Darkness through,
Not one returns to tell us of the road
Which, to discover, we must travel too.

Omar Khayyam—Rubaiyat.
